<b>Target version:</b>			
<b>Description</b>			
Looks like Wt puts:			
<ul style="list-style-type: none"><li>• "nav-item" in "class" attributes for "li" elements.</li><li>• "nav-link" in "class" attributes for "a" elements.</li></ul>			
According to <a href="https://getbootstrap.com/docs/5.0/components/dropdowns/">https://getbootstrap.com/docs/5.0/components/dropdowns/</a> it should rather be just "dropdown-item" for "a" elements
