

Wt - Bug #1222

widget gallery: missing image in Ext::ComboBox example

04/04/2012 06:56 PM - Boris Nagaev

Status:	New	Start date:	04/04/2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
URL with the bug: http://www.webtoolkit.eu/widgets/mvc-widgets/combobox-views			

History

#1 - 07/07/2012 01:10 PM - Boris Nagaev

This image is shown properly in Firefox 3.5.16.

In Google Chrome 20.0.1132.47 it is shown for short time (< 1 sec) and than replaced with missing image (as on screen shot).
