| The express checkout only seems to support USD currencies.                                      |               |                        |            |
| To fix it appears that this line needs to be added to src/Wt/Payment/PayPal.C                   |               |                        |            |
| line 524:   |               |                        |            |
| <pre>map["PAYMENTREQUEST_0_CURRENCYCODE"] = impl*-&gt;order*.totalOrderCost().currency();</pre> |               |                        |            |
