

Wt - Bug #3540

plain HTML sessions limit bug

08/22/2014 12:52 PM - Boris Nagaev

Status:	Closed	Start date:	08/22/2014
Priority:	Normal	Due date:	
Assignee:	Koen Deforche	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	3.3.4		

Description

src/web/WebController.C:

```
return plainHtmlSessions_ > conf*.maxPlainSessionsRatio() * ajaxSessions*;
```

should be

```
return plainHtmlSessions_ > conf*.maxPlainSessionsRatio() * (ajaxSessions* + plainHtmlSessions_);
```

Currently, even if plain-ajax-sessions-ratio-limit=1, running 20 Ajax + 20 HTML sessions, new HTML sessions are discarded as DDoS.
