

Wt - Bug #3610

Toggleing Treeitems in a large WTreeView gets bugged (showing loading indicator, doubles entries)

09/29/2014 01:51 PM - Anonymous

Status:	Closed	Start date:	09/29/2014
Priority:	Normal	Due date:	
Assignee:	Koen Deforche	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	3.3.4		
Description			
After toggling the tree for about 5 times the browser gets out of sync and shows the loading picture instead of the elements. If this happens the application sometimes asserts (in WTreeView.C:2393) on scrolling.			
Example code:			
http://pastebin.com/tPM0Sz9e

Hey, thanks for the test-case. Fortunately the fix was relatively straightforward.
