Description			
Hi!			
Wanted to Upgrade from 3.3.1 to 3.3.4 RC1.			
I think there is an issue with tooltips.			
They are not placed over the corresponding Widget, but beneath the parent widget...			
Test case attached.			
BR,

Hey Max,

I must be missing something --- this looks like it's working fine using Firefox or Chrome?

See attached screenshot.

Hi Koen!

Just checked with latest git. Everything OK for me!

Thanks a lot!

BR,

Max
