

Wt - Bug #5535

WApplication::customjQuery bad documentation

02/02/2017 02:22 PM - Jan Hrubeš

Status:	Closed	Start date:	02/02/2017
Priority:	Low	Due date:	
Assignee:	Michiel Derhaeg	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
<p>In the documentation generated by Doxygen has the method WApplication::customjQuery same description as the WApplication::doJavaScript.</p> <p>In the source code WApplication::customjQuery has no description at all, so it is rather Doxygen issue.</p> <p>But proper documentation would be handy.</p> <p>Best Regards</p> <p>Jan Hrubes</p>
