

Wt - Feature #5587

WCartesianChart should honor WAxis::titleOffset() if specified

03/08/2017 05:01 PM - Roel Standaert

Status:	New	Start date:	03/08/2017
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Currently, WAxis::titleOffset() is not used at all by WCartesianChart and a default offset of 40 or 15 depending on the orientation and position of the title is used when font metrics are not available.
