Target version:	3.3.8		

Description

I get this error on the browser console whenever I am navigating through my application internal path(See attached file)

I had cloned wt-homepage example and I have been modifying it.

Error below:

```
TypeError: Wt3_3_8.$(...) is null[Learn More] 127.0.0.1:8082:395:1
```

showLoadingIndicator <http://127.0.0.1:8082/:395:1>

ua <http://127.0.0.1:8082/:229:121>

Thank you in advance.

Sorry.

I had Commented this line that makes the chat popup. After uncommenting no error.

```
doJavaScript("setTimeout(function() { loadScript('http://127.0.0.1:8082/chat.js?div=chat', null); }, 0); ");
```
