

Wt - Bug #5962

Properly support toggling drag enabled/disabled on WAbstractItemView

10/02/2017 06:58 PM - Roel Standaert

Status:	New	Start date:	10/02/2017
Priority:	Normal	Due date:	
Assignee:		% Done:	0%

Target version:			
Description			
Currently, the drag support is not properly disabled, and upon re-enabling it, another widget with the same id is created.			
While usually this is a set-and-forget feature, it should be possible to cleanly toggle this.
