

## Wt - Bug #6140

### WPopupMenu not closing on pressing one of the items

11/16/2017 08:41 AM - Bert Cuypers

<b>Status:</b>	New	<b>Start date:</b>	11/16/2017

<b>Description</b>			
<p>Upon implementation of a WPopupMenu with some items, pressing one of these items does not seem to automatically close the WPopupMenu. In my case, I only use items which open a WDialog. In Wt 3.3.3 this worked as expected (the pop-up menu closed automatically after clicking one of its items), but it does not seem to work in both Wt 3.3.8 and 4.0.0 with the same code.</p>
