History

#1 - 12/07/2020 11:15 AM - Roel Standaert

- Related to Feature #7894: Add more HTML5 input types added

#2 - 12/07/2020 01:32 PM - Roel Standaert

- Description updated

- Parent task set to #7894

#3 - 06/28/2021 03:36 PM - ruben kindt

- Status changed from New to InProgress

- Assignee set to ruben kindt

- Target version set to 4.7.0

#4 - 10/05/2021 02:40 PM - Korneel Dumon

- Assignee changed from ruben kindt to Korneel Dumon

#5 - 01/05/2022 12:37 AM - Christian Meyer

Maybe this will help:

<https://developer.mozilla.org/en-US/docs/Web/HTML/Element/input/datetime-local>

Just did a quick Test with Some Browsers:

Desktop-Browsers:

- FireFox
- Chrome
- Edge

Mobile-Browsers:

- FireFox
- Chrome
- DuckDuckGo
- Brave

All did support a widget for entry

Cheers
